GENESIS MEDICAL CENTER, DEWITT

Process & Priorities: Community Health Needs Determination
Our commitment to help address community health needs is...

- Compelled by our mission of “compassionate, quality health services to all those in need”

- Driven by our values: safety, integrity, compassion, accountability, respect and excellence
Genesis Medical Center, DeWitt

- Community Health Needs Assessment survey initiated in 2011 and updated in 2013
- Geography: Western Clinton County, Iowa (DeWitt Area)
- Initially conducted by GMC-DeWitt in collaboration with the Clinton County Health Department and updated by Professional Research Consultants of Omaha, Nebraska
QCHI Mission: The Quad City Health Initiative is a community partnership seeking to create a healthy community. Our definition of a “healthy community” encompasses all aspects of our region's physical, mental, economic, social and environmental health including issues of access, affordability and quality.
