Process & Priorities: Community Health Needs Determination

APPROVED BY GHS COMMUNITY BENEFIT STEERING COMMITTEE
OCTOBER 15, 2015
Our commitment to help address community health needs is…

- Compelled by our mission of “compassionate, quality health services to all those in need”

- Driven by our values: safety, integrity, compassion, accountability, respect and excellence
Genesis Medical Center, DeWitt

- Community Health Needs Assessment survey initiated in 2011 and renewed in 2014

- Geography: Clinton County

- 2014 Data was gathered by the Genesis Health System Business Intelligence Center
- Priority focus and implementation plan determined by community focus groups
QCHI Mission: The Quad City Health Initiative is a community partnership seeking to create a healthy community. Our definition of a “healthy community” encompasses all aspects of our region's physical, mental, economic, social and environmental health including issues of access, affordability and quality.
