QCHI Mission: QCHI is a community partnership seeking to create a healthy community. Our definition of a “healthy community” encompasses all aspects of our region's physical, mental, economic, social and environmental health including issues of access, affordability and quality.
Areas of Opportunities Identified Through Assessment – Health Issues

1. Access to Healthcare Services
2. Cancer
3. Diabetes
4. Heart Disease & Stroke
5. Infant Health & Family Planning
6. Injury & Violence
Rock Island & Scott Counties

Areas of Opportunities Identified Through Assessment – Health Issues

7. Mental Health
8. Nutrition, Physical Activity & Weight
9. Oral Health
10. Respiratory Diseases
11. Sexually Transmitted Diseases
12. Substance Abuse
Community meetings were held on September 1, 2015, at the Figge Art Museum in Davenport, Iowa, and on September 2, 2015, at the Stoney Creek Inn in Moline, Illinois. Over 100 community members attended one of the two identical presentations made by PRC.

Data from the survey and feedback from the community were integral in decisions regarding Genesis priorities.
Health Needs Priorities
As determined by Genesis Health System

Genesis, upon receiving the CHNA Report and hearing community input, has decided to focus on these Five Priorities:

1. Access to Healthcare Services
2. Cancer
3. Heart Disease & Stroke
4. Nutrition, Physical Activity & Weight
5. Mental Health
